

“If you think you’re too small to be effective,  
then you’ve never been to bed with a mosquito.”  
- Anita Roddick

“At first people refuse to believe that a strange new thing can  
be done. Then they begin to hope it can be done.  
Then they see it can be done. Then it is done and all the world  
wonders why it was not done centuries ago.”  
-Frances Hodgson Burnett

The poll tax was ended, because  
people should not have to pay a tax before they can vote.  
It’s time to end the food tax, because  
no one should have to pay a tax before they can eat.

Families can economize with used clothes  
and used furniture, but they cannot buy used food.
